Statewide Extreme Cold Weather Activities

Local Emergency Proclamation, Santa Clara County (New)

A Proclamation from Santa Clara County has been received proclaiming a local emergency due to the NWS issued Freeze Warning December 6, 2013. There is no request for State assistance.

* The Cal OES LDO confirmed with the Santa Clara Sheriff's Office the information provided in the proclamation is verified; four freeze related deaths thus far. Three of those occurred in the last couple days, with the fourth occurring on 11/28 in Saratoga.

* Santa Clara County deactivated their EOC at approximately 1955 hours December 6, 2013 and will not be activating over the weekend. Santa Clara County will be conducting conference calls at 1200 hours and 1800 hours through the weekend until 1200 hours Monday. The Cal OES CDO will be present on the calls and continues to monitor the situation.

California Contingency Plan for Extreme Cold / Freeze Emergencies Phase III (New)

In accordance with the California Contingency Plan for Extreme Cold / Freeze Emergencies; Phase III actions are taken when conditions pose severe threat and one or more various actions exist. The submission of a Proclamation of Local Emergency by Santa Clara County is one of the conditions that initiate Phase III actions of the Emergency Plan.

* The CSWC prepared an Executive Weather Briefing and notified the key stakeholders of the transition to Phase III of the Emergency Plan and the potential for State conference calls this weekend.

- * A State Weather Conference Call will be held this morning, 12/7/13 at 1000 hours.
- * The California State Warning Center, in coordination with the National Weather Service, continues to monitor the weather statewide; specifically, for any cold/freezing weather of concern and will brief key response agencies as the situation warrants.
- * The three administrative regions have conducted outreach to accumulate relevant information from their Operational Areas (OA's) affected by the extreme cold weather conditions.
- * Inland Region Operational Areas have not reported any damage or issues that involve the agricultural industry such as crops, livestock or poultry. At this time, various faith based groups and churches across the region have opened their doors as warming centers for the homeless.
- * Coastal Region – Operational Areas are receiving reports from the National Weather Service and they are following their protocols for the cold weather. Solano County opened two shelters today for the remainder of the week.
- * Southern Region – Polled all of the region's OAs for various weather activities. Warming centers/shelters are open throughout the region and are reported to be Americans with Disabilities Act (ADA) compliant.

Operational Area Activations:

San Joaquin County will be activated at Level 1, from 0700 – 1900 hours through the weekend in response to cold weather related activities.
